

## WE ARE VICTORIOUS By Allah's permission

**Alah subhana hu wa ta'ala** in His book not only promised the victory to the believers and defeat to the disbelievers but the path that leads to these results is also well documented.

**Verily, those who disbelieve spend their wealth to hinder (men) from the path of Allah, and so will they continue to spend it; but in the end it will become an anguish for them. Then they will be overcome. In order that Allah may distinguish the wicked from the good, and put the wicked one over another, heap them together and cast them into Hell. Those! it is they who are the losers.** (8:36,37)

Allah states here that the disbelievers spend their wealth to hinder from the path of truth. However, by doing that, their money will be spent and then will become a source of grief and anguish for them, availing them nothing in the least. They seek to extinguish the Light of Allah and make their word higher than the word of truth. However, Allah will complete His Light, even though the disbelievers hate it. He will give aid to His religion, make His Word dominant, and His religion will prevail above all religions.

This is the disgrace that the disbelievers will taste in this life; and in the Hereafter, they will taste the torment of the Fire. Whoever among them lives long, will witness with his eyes and hear with his ears what causes grief to him. Those among them who are killed or die will be returned to eternal disgrace and the everlasting punishment.

**They want to extinguish Allah's Light with their mouths, but Allah will not allow except that His Light should be perfected even though the disbelievers hate (it). It is He Who has sent His Messenger with guidance and the religion of truth, to make it superior over all religions even though the idolators hate (it).** (61: 8,9)

They (the disbelieving idolators and People of the Scriptures) want to extinguish the Light of Allah with their mouths, They try through argument and lies to extinguish the guidance and religion of truth that the Messenger of Allah was sent with. Their example is the example of he who wants to extinguish the light of the sun or the moon by blowing at them! Indeed, such a person will never accomplish what he sought. Likewise, the light of what the Messenger was

sent with will certainly shine and spread. Allah replied to the idolators' desire and hope, It is He Who has sent His Messenger with guidance and the religion of truth. 'Guidance' refers to the true narrations, beneficial faith and true religion that the Messenger came with. religion of truth' refers to the righteous, legal deeds that bring about benefit in this life and the Hereafter. Allah will certainly make it (Islam) superior over all religions, even though the idolators hate (it). It is recorded in the Sahih that the Messenger of Allah said, **Allah made the eastern and western parts of the earth draw near for me (to see), and the rule of my Ummah will extend as far as I saw.** Imam Ahmad recorded from Tamim Ad-Dari that he said, **I heard the Messenger of Allah saying, This matter (Islam) will keep spreading as far as the night and day reach, until Allah will not leave a house made of mud or hair, but will make this religion enter it, while bringing might to a mighty person (a Muslim) and humiliation to a disgraced person (who rejects Islam). Might with which Allah elevates Islam (and its people) and disgrace with which Allah humiliates disbelief (and its people).**

With all their technology, military might and numerical superiority; Allah subhanhu wa ta'ala puts the end result before as as He said in Quran. Allah has decreed: **Verily, I and My Messengers shall be the victorious. Verily, Allah is All-Powerful, Almighty.** (58: 21)

The Almighty, All-Powerful has decreed that He shall prevail over His enemies. Indeed, this is the final judgement and a matter ordained; the final triumph and victory are for the believers in this life and the Hereafter. Allah subhanu wa ta'al further strengthens this promise in the following verse in Surah Al Imran **So do not become weak, nor be sad, and you will be triumphant if you are indeed believers.** (3:139)

While having the strong belief upon the promises of Allah and be sure about it. The meaning of "victory" should be understood as taught by our pious Salaf(predessessors). The victory is not defined by gaining or controlling any piece of land. Rather victory is to be steadfast upon Deen(religion) while bearing patiently the trials and tribulation. While defeat is not losing any piece of land to the kuffar. Rather, defeat

is to give up or compromise the foundations of the Religion thus by gaining the wrath of Allah. May Allah keep us steadfast upon His deen. Thus the brothers from Wilayah Khurasan showed us real meaning of victory by fighting it to the end against the Satanic coalition of **Kafir America , Murtad Agfan forces and Murtad Taliban.** The Murtad Taliban shamelessly entered this coalition with America in order to show their loyalty to the Kuffar. And when the brothers had to go for a tactical retreat,

the Murtad Taliban boasted of having the Islamic State driven out of the Kunar and subsequently from the Kand Province. But it should be kept in mind thay Allah subhanhu wa ta'al varries the days alternately between the people in order to test them.

**If a wound has touched you, be sure a similar wound has touched the others. And so are the days, that We give to men by turns, that Allah may know (test) those who believe, and that He may take martyrs from among you. And Allah likes not the wrongdoers. And that Allah may test those who believe and destroy the disbelievers.** (3:141,142)

Therefore, the Ayah says, if you suffered injuries and some of you were killed, then your enemies also suffered injuries and fatalities. And so are the days, that We give to men by turns, and

at times out of wisdom. We allow the enemy to overcome you, although the final good end will be yours.

Allah subhanhu wa ta'ala is sufficient for the believers against the disbelievers for no one knows His soldiers except Him. When the Crusaders attacked the Masjid in New Zealand no boday would have thought its retaliation would come from Sri Lanka. The Brothers from the Islamic State were chosen by Allah subhanahu wa ta'ala for this blessed operation. May Allah accept them among the best of matyrs. They healed the believers chests by inflicting carnage upon the crusaders as was commanded to them by Allah in Quran.

**Fight against them so that Allah will punish them by your hands and disgrace them and give you victory over them and heal the breasts of a believing people.** (At-Tawbah, 14).

The Brothers from Bangladesh are no different, they pledged allegiance to the Caliph in the early days of the caliphate never feared the blame of the blamers and thus were among the forerunners In Sha Allah. We ask Allah subhana hu wa ta'ala to keep them steadfast upon His religion and help them break the back of the infidels.

May Allah brighten the faces of those Muahjireen from Hind who made Hijrah to the lands of Iraq and Sham to join the Islamic State. May Allah accept their deeds and reward them abundantly. Who would forget Abu Usman al Hindi- the first Indian brother who performed the martyrdom Operation. Those brothers from Indian Mujahideen who wreak havok in india and then finally made Hijrah to sham really are the shining stars in the sky acting as the guide for the seekers of pleasure of Allah.

And know o the muslims of India we the muslims have inflicted the thousand years of humiliation upon the Hindu Mushrikeen only when we were close to Allah and His religion. Yes, we were the masters and the leaders while they were subdued. The only way to return the glory of the past is to return back to the Deen of Allah, there is no other alternative.

**O you who believe! Whoever from among you turns back from his religion (Islam), Allah will bring a people whom He will love and they**

**will love Him; humble towards the believers, stern towards the disbelievers, fighting in the Way of Allah, and never afraid of the blame of the blamers. That is the Grace of Allah which He bestows on whom He wills. And Allah is All-Sufficient for His creatures' needs, All-Knower.** (Al-Ma'idah, Ayah 54)

The recent blessed operation carried out by the brothers from Maldives has truly healed the chests of the believers. We ask Allah subhana hu wa ta'ala to accept this operation from the brothers and keep them steadfast upon His Deen and help them against the Kuffar and Murtadeen. Know o brothers, you have truly enraged the kuffar and brought relief to the brothers already fighting in the different parts of the world. Be steadfast and lie in wait for them at every place of ambush, kill them where ever you find them. Our message to the brothers from the Hind ( India, Pakistan, Bangladesh, Sri Lanka) is to follow the example of the brothers from Maldives so that the word of the Disbelievers is the lowest and the word of the Allah is the highest.

**And All praise and glory is for Allah, The Strong The Irresistible.**
